RANDOM HOUSE
CHILDREN’S BOOKS
Dear Reading Adventurer,

JetBlue and Random House encourage you to let your imagination soar this summer. We are so glad you're taking Jack and Annie with you on a reading adventure this summer. You don't have to go far, just open one of your favorite Magic Tree House books and get ready to Soar with Reading!

As you read Magic Tree House books and Fact Trackers this summer, use your Soar with Reading passport to track your adventures. Simply put a sticker on all the places you visit with Jack and Annie. In this booklet, you'll also find fun activities to help you continue learning while at home or on the go!

With Magic Tree House books and Soar with Reading, you can create your own adventure by visiting jetblue.com/SoarWithReading with your parents to share your story with us and be entered for a chance to win a $5,000 college scholarship or other great prizes. For every entry in the contest, JetBlue will also donate a book to a child who loves to read through Mary Pope Osborne’s Classroom Adventures Program.

As you let your imagination soar, we ask: What magical places would you like to travel to with Jack, Annie, and JetBlue this summer?

Sincerely,

Mary Pope Osborne,  
Author, Magic Tree House Series

Connect the Dots
Jack and Annie have succeeded in their quest. They are now Master Librarians! Start at 1, and connect the dots to reveal one of their friends.

See page 15 for Answer Key.
Passport Checklist

Jack and Annie do a lot of traveling! As they learn in Japan, most international travelers need a passport. Travelers collect stamps from each country they visit. You don't need a passport to travel within the United States, but it's fun to keep track of where you've been. Color in the states you would like to visit.

Alternative: Color in a state every time you see a car with a license plate from that state. You can make photocopies of this page and compete with friends and family on a road trip!

JetBlue Fun Fact: The port of New Orleans handles the largest volume of cargo on the Gulf of Mexico and is the third largest in the world!

Logic Puzzle

Three covered wagons are traveling across the prairie. Read the clues below to figure out the size of each family’s wagon, the pet they have with them, and what state they are from. Use the grid to help you figure it out!

1. The Washington family brought their bird with them from Virginia.
2. The Bartons in the small wagon are not from Virginia or Connecticut.
3. The cat was a kitten in New York.
4. The Osborne family is not in the medium-sized wagon.
5. The large wagon is not from Virginia.
6. The dog is not in the medium or small wagons.
